Re: Hospice Residence Pilot RFA
(RFA Number 12908/DAL 07-19) Released
November 28, 2007

Dear Potential Applicant:

This is to inform you that the deadline for applicant questions regarding the Request for Applications (RFA) noted above has been extended for one week in order to maximize applicant participation.

Therefore, e-mailed questions will now be accepted until 4:45 PM on December 14, 2007.

All questions should be e-mailed to Gail E. Charlson at gec03@health.state.ny.us.

Responses to questions received by the new deadline will be posted on the Health Provider Network (HPN) and the Department's website on or about December 19, 2007.

Please also note that the RFA's Appendix B/Table of Contents has been revised to correct the numeration of Sections I. through XV. The original version has typographical errors for some of the Section numbers. This correction will assist applicants to organize their applications pursuant to the corrected Table of Contents in line with the requirements of the RFA.

Sincerely,

Judith R. Mooney
Co-Director
Division of Home and Community Based Services
