

PROVIDER NAME _____

HEALTH CARE PROVIDER: A record of eligibility of all children who receive Vaccines for Children or Child Health Plus B vaccine must be kept in the health care provider's office. The record may be completed by the parent, guardian, individual of record, or by the health care provider. The same record may be used for subsequent visits as long as the child's eligibility status has not changed. **A new record must be completed if there is a change in eligibility status.** While verification of eligibility status is not required, the provider must retain this or a similar record (paper or electronic) for each VFC eligible child receiving vaccines.

PATIENT INFORMATION:

_____ Child/Patient Last Name	_____ First Name	_____ M.I.
_____ Parent/Guardian's Last Name	_____ First Name	_____ M.I.
Date of Screening _____ / _____ / _____ MM DD YY	Child/Patient Date of Birth _____ / _____ / _____ MM DD YY	

Check one box below for the appropriate eligibility category for this child (if less than 19 years of age) who is receiving publicly purchased vaccine in New York.

- Medicaid/Medicaid Managed Care enrolled-** Check here if patient is enrolled in Medicaid or a Medicaid Managed Care plan.
- Not insured** - Check here if the patient does not have any health insurance.
- American Indian/Alaskan Native-** Check here if the patient is American Indian/Alaskan Native.
American Indian/Alaskan Native is defined as any individual who (1) is a member of a tribe, band, or other group of Indians including those tribes, bands, or groups terminated since 1940 and those recognized now or in the future by the State in which they reside, or who is a descendant, in the first or second degree, of any such member, or (2) is an Eskimo or Aleut or other Alaskan Native or (3) is considered by the Secretary of the Interior to be an Indian for any purpose.
- Underinsured** - Check here if the patient is underinsured.
Children who have health insurance that does not include vaccines are underinsured. Children with health insurance that reimburses for immunizations are not eligible even if the insurance company requires a high deductible, co-payment, or covers only part of the cost of vaccine.
- Child Health Plus B** - Check here if the patient is enrolled in Child Health Plus B.
